## NEWS

It is with great sadness and deep shock that we bring you the news that Justice Egware, co-ordinator of GCAP Nigeria and John Moru of Action Aid Nigeria have died in an air crash in Nigeria.

Justice and John were returning to Abuja from Lagos where they had been launching the Nigeria GCAP publicity campaign at the Galleria media Centre. We are totally devastated and we pray that the gates of eternity shall open gently as their spirits rise across the African skies with all our dreams, all our hopes....blow in the winds, glow in the darkest room and in all our hearts.
